

New Educator Resources (BC Digital Classroom) Requiring Special Login Access

There are two resources in the BC Digital Classroom core collection that are licensed for **educators only** at specified grade levels.

To be compliant with licensing, the login information should **only** be shared with this staff, **not** provided to students, and **not posted in a public website area**.

The icon and links for both these resources is on the BC Digital Classroom Access page <https://bcerac.ca/bcdc-access/> and is incorporated into the widget.

- 1) **Tig Tag Science** – requires teacher to create an individual login/password
 - a. Licensed for:
 - i. Grades 3-6 teachers
 - ii. Teachers in roles where they support students in Grades 3-6 or support/coordinate professional learning in the use of digital resources.
